

Classroom Axis

Parent Orientation

Welcome

to the 2018-2019 school year!

Behavior Expectations

At this campus we use a system called Honorable Character to cultivate a positive atmosphere.

I'll be using Character Counts to give students feedback on their development of these character traits.

You will receive notifications for this!

Sign-up Lists

You will have the opportunity to sign up for various things throughout the year: parent/teacher conferences, party items, volunteering, etc.

You will get a reminder notification before the event.

Calendar

Co-curr schedules and upcoming events can be found here. I will set the calendar to remind you of important events! Check back regularly for updates.

Newsletters

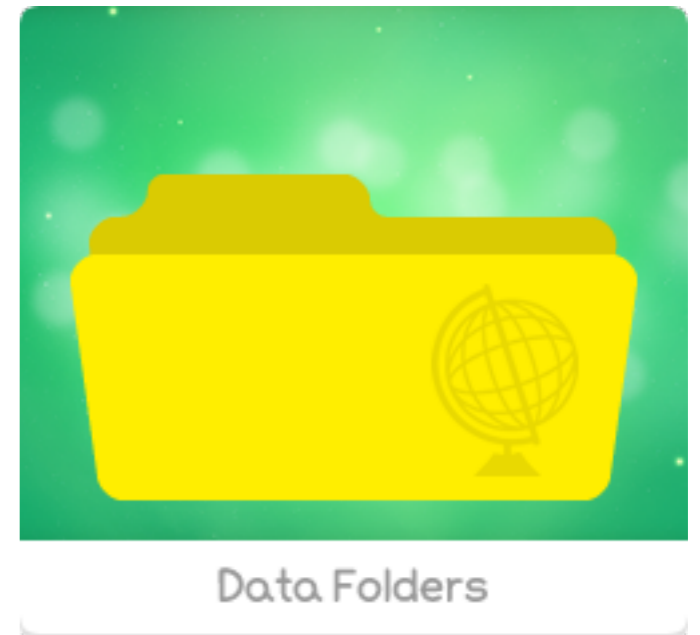

Check back weekly for an important updated message about what's happening across the grade level and campus.

Data Folders

We want to close as many gaps as we can quickly so that no one gets behind. This is a good way to monitor what your child knows and see what areas we need to focus on in order to help your child be successful.

Resources

Everything else you might need! Links for enrichment, to get to report cards, background checks, homework, room parent information, etc. can be found here.

Photos

It's amazing how fast a school year goes.
We can remember it in pictures!

Memo

This is fast, instant communication from me to you. As soon as it's updated you will receive a notification.

Why Classroom Axis?

- It's the easiest way that I can bring you into the classroom and keep you updated on what's going on with your child's day-to-day in class.
- It's 1 username/password and it's FREE!
- Works on web, smart phones and tablets. Download on your device's App Store or view in web browser.

Have a great school year!
